NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)

Filing Date Granted

The U.S. Patent and Trademark Office has received your reply on 08/02/2004 to the Notice to File Missing Parts (Notice) mailed 06/01/2004 and it has been entered into the nonprovisional application. The reply, however, does not include the following items required in the Notice.

The period of reply remains as set forth in the Notice. You may, however, obtain EXTENSIONS OF TIME under the provisions of 37 CFR 1.136 (a) accompanied by the appropriate fee (37 CFR 1.17(a)).

A complete reply must be timely filed to prevent ABANDONMENT of the above-identified application. Replies should be mailed to: Mail Stop Missing Parts, Commissioner for Patents, P.O. Box 1450, Alexandria VA 22313-1450.

- The application was filed in a language other than English. Applicant is required to provide an English translation of the specification and a statement that the translation is accurate. (See 37 CFR 1.52(d)).

The application is informal since it does not comply with the regulations for the reason(s) indicated below.

The required item(s) identified below must be timely submitted to avoid abandonment:

- Replacement drawings in compliance with 37 CFR 1.84 and 37 CFR 1.121 are required. The drawings submitted are not acceptable because:
 - The drawing figures contain text that is not in English (including, for example, a flow chart that was originally not in English that has been marked up to include the English text) (see 37 CFR 1.84(p)(2) and 37 CFR 1.52(d)(1)). See Figure(s) 1-4.

Replies should be mailed to: Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

A copy of this notice MUST be returned with the reply.

RESPONSE TO NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)

Sir:

The Notice of Incomplete Reply (Nonprovisional) indicates that the Response to Notice to File Missing Parts filed on August 2, 2004, included neither an English translation with a statement that the translation is accurate, nor Replacement drawings. Applicant respectfully asserts, however, that both the English translation with a statement that the translation is accurate and Replacement drawings were filed with the Response to Notice to File Missing Parts. This is evidenced by the returned postcard (copy enclosed) that bears the stamp of the Office of Initial Patent Examination (OIPE).

To clarify this situation, a telephonic interview was conducted with the OIPE on September 10, 2004. In the telephonic interview, the OIPE indicated that a copy of the

English translation with a statement that the translation is accurate was received with the Response to Notice to File Missing Parts. Copies of the Replacement drawings, however, could not be located. The OIPE requested, therefore, that only copies of the Replacement drawings be submitted in reply to the Notice of Incomplete Reply (Nonprovisional). As such, Applicant respectfully submits copies of the Replacement drawings as filed with the Response to Notice to File Missing Parts on August 2, 2004.

Applicants respectfully asserts that any fee for an extension of time as set forth in 37 C.F.R. § 1.136(a) is not required since, as evidenced by the enclosed copy of the OIPE stamped postcard, Replacement drawings were timely submitted with the Response to Notice to File Missing Parts. In the event that the OIPE takes a contrary position, however, the undersigned hereby authorizes the Commissioner to charge deposit account 50-3213 for any additional fees that may be required.

If the OIPE believes that personal communication will further expedite clarification of this matter, the OIPE is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: September 10, 2004
